

JOC & CO-OP Contract Capabilities

DESIGN ASSIST • BUILD • SERVICE

Trusted Expertise Since 1941

For over 80 years, we've been a trusted source for custom architectural products, specializing in three scope arenas:

- **Daylighting** – skylights, tubular skylights, translucent wall and roof systems, ETFE glazing systems
- **Space Flexibility** – operable partitions, vertical folding operable partitions, folding glass walls, vertical acting glass wall systems and sectional doors, security grilles, demountable interior wall systems
- ♦ **Fire & Smoke Separation** – elevator smoke curtains, specialty fire and smoke-rated curtains and door systems

We provide **turn-key, furnish and install service** throughout **Colorado, Wyoming, New Mexico, and W. Texas**, and we'd welcome the opportunity to earn your business.

Key Benefits of Cooperative Contracts:

- ♦ Prequalified contractor services
- ♦ Access to lower cost construction services
- ♦ Reduced project start and delivery times
- ♦ Pricing transparency (3rd Party Oversight)
- ♦ Streamlined solicitation preparation, review, and award process
- ♦ Confidence through ethical and transparent procurement practices

Typical Bidding Process

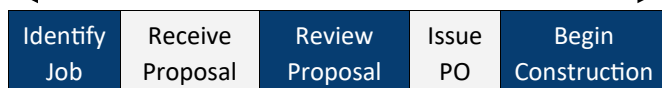

250—300 days

Repeat these steps if all bids are over budget.

Power Products CO-OP/JOC Process

Less than 30 days on average in most cases
